

TO WHOMSOEVER IT MAY CONCERN

I am here at the Arya Vaidya Pharmacy in Coimbatore and undergoing treatment for detoxification. Several devotees from various places in south India are coming down to see me. Today I was met by a contingent of young devotees who are Alumni of the National Institute of Technology (NIT) Calicut, Kerala. All of them are my disciples or awaiting initiation from me. They have been actively preached to by H H Bhakti Vinoda Swami Maharaj. They are presently involved in a strategic preaching project of developing a preaching centre immediately outside the campus of NIT Calicut. The place is being built up on ISKCON's property for a dynamic preaching centre with a mess for eating prasadam and a preaching centre for the students to congregate. The devotees have spent their own savings and advanced the project to the level of casting the ceiling of the ground floor. It looks promising and Bhakti Vinoda Swami assures me that it can bring in many more youngsters for the preaching in Kerala.

They need help financially as they have already spent about 11 lakhs of rupees from their personal savings. The project value is about 30 lakhs Rupees (for Ground floor and First Floor) and totally 45 lakhs Rupees (for Ground floor plus three floors) presently.

If you can support this Endeavour it will be a great source of encouragement to them. This project is dear to me as it will save a lot of young minds from the modern "slaughterhouses" that Srila Prabhupada so much detested.

Vamsidhari Jagannath dasa who was earlier in Dubai is overseeing the construction and affairs in NIT Calicut presently. He will contact you soon and I will appreciate your support to these dynamic young devotees who have embarked on this project.

PARIVARTAN will remain as one of the bright jewels in the history of ISKCON forever! Please come forward & help us. Indeed you can count the blessings upon yourself when you help such a center.

A few photographs are attached herewith showing the latest developments at the construction site. Hare Krishna!

Your well wisher always,

Jayapataka Swami
